LLWWEMA

Scholarships for Students in Sichuan ... A formal scholarship program organized by LLWWEMA jointly with Beijing International Mandarin Church and Sichuan Guanghan Church has been set up. These churches are reliable as the Torrance Bread of Life Church (TBOL) is familiar with them in the past ministry experiences. The TBOL in fact has started putting funds to support this program in its preliminary stage since last February. LLWWEMA is now asking for voluntary participation of all member churches in providing scholarships to the poor but good students in Sichuan (US \$90 for one student for one semester lasting for 6 months). Please refer to the documents, "Christian Agape Scholarship Fund" for details in our LLWWEMA web pages as follows to know about the procedures and responsibilities of the donating churches (especially section 7.2 & 7.3):

We would like to ask all member churches to support as a join effort to testify for the Lord.

BOL Minister Min Kuang Ting went to Kunming to teach minority tribes (Li Su and Miao) and some Han people Chinese language and basic Biblical truth. There were 18 students varying in age from 18 to 21. Some of the students will go on to study theology.

Interim Mission Station, Mexicali, Mexico (Feb. 7, 2009)

A team of 6 BOL members went to Mexicali to acquire a two bedroom apartment right in Chinatown, Mexicali, where a lot of Chinese live. This is a temporary place where short term mission members can stay and minister to the children and adults there. After getting familiar with the people, the area, and the government licensing process, BOL hopes to establish a after-school care facility in Mexicali by God's grace.

LLWWEMA 2007-2010

BOL sister, Ming Ching Lee, went to China to share and have fellowship with the Christians in different house churches. Christians in China spend a lot of time praying in earnest as shown in the pictures above. Sister Ming Ching and the Chinese Christians shared personal testimonies to edify and build each other up in the name of the Lord.

Sister Ming Ching went to Luo Shan First High School shown in the lower right corner. Last fall the principal of the high school invited BOL to send teachers there in the summer of 2009 to operate an English Camp for 2 weeks teaching English and American Culture to its 600 students. BOL put together a team of 30 people (Americans, American-born Chinese, and Overseas Chinese) to go there. However, early this year the principal was not able to get the permit from the Chinese Government for the English Camp.
