Re: Invitation to attend 13th LLWWEMA General Assembly Meeting

Dear all Ling Liang / Bread of Life Church Leaders,

Greetings in the name of our Lord Jesus.

As you may already know from our few announcements in the past months that the next General Assembly of the LLWWEMA will be held in Torrance, California, USA. from September, 10 to 14, 2010.

Please find attached 1) the schedule of this 13th General Assembly Meeting, and 2) the registration form for the General Assembly. The Elder & Deacon Board of the Torrance Bread of Life Church has passed a resolution to host all of the delegates and their families by providing them with housing, breakfasts/snacks, and local transportation.

The theme of the 13th General Assembly is "End Times and Church Mission". Rev. Thomas Wang has accepted our invitation to be the keynote speaker. Rev. Wang is the founder of the Great Commission Center International. He has written such books as "Handbook on Religions", "From Eternity to Eternity", and "America, Return to God". Some of the Ling Liang pastors will also be invited to share their messages at different sessions and worship services. All Ling Liang Churches will have a chance to report their mission projects and to participate in a discussion on future programs.

As the host, Torrance Bread of Life Church is offering four airfare scholarships to pastors and ministers who have been laboring for the Lord in poor remote areas. India and Philippines will get one scholarship each. Indonesia will get 2 scholarships. Scholarship money will be awarded in April 2010.

For those who need personalized invitation to apply for U.S. visa, please let us know. Any question that you may have, please do not hesitate to contact our VP-Hong Kong & Others, Elder Paul Lam at plam@aol.com; VP-Indonesia, David Chan at david@jirehcompany.net; NAD chair, Peter Ng at peterng@asianlogistics.biz or the 13th General Assembly Preparation Committee chair, Pauline Lee at rpkee@yahoo.com. Look forward to meeting all of you soon.

Yours in Christ,
Wilson Lee
