Mexico Outreach Mission to Tijuana (3/6/2010)

Praise God that after five years of prayers, hard work and support, the October 3 Church was dedicated on Saturday, March 6. Ninety-five brothers and sisters from over ten churches joined hands and lifted their voices to celebrate this new House of the Lord. Our own brothers went down many times from Los Angeles to construct the church. May God bless the hands that built this church. It was so moving as we prayed over the new pastor and his wife. The local church

community came to celebrate this blessed occasion. May this church be a light that will point people in His direction for years to come.

Besides participating in the dedication of Oct. 3 Church, the mission team members also went to Tijuana jail to minister to the prisoners there. They also went to Terraza Church and El Pipila Church to conduct medical, children, and food ministries.

Earthquake Relief Trip to Mexicali (4/10/2010)

There was a 7.2 magnitude earthquake in Mexicali on 4/4/2010. Bread of Life Church made phone calls to people in Mexicali and its neighboring city, Calexico, to inquire about their well being. Phone calls were to no avail because lines were disrupted. Email messages were received back a few days later indicating that there were families sleeping in the streets after the earthquake. On 4/10/2010 Bread of Life Church together with First Baptist Church and Evangelical Formosan Church immediately formed a team of 8 people and brought emergency supplies to the people in Mexicali. Supplies included blankets, sleeping bags, crackers, bread, peanut butter, peanuts, can food, mandarin oranges, soy milk, cups of noodles, juices and water. Even though people were not really in need of food, they were very happy to receive supplies from Christian Churches from so far away.

香港靈糧堂擴建報告：

教育樓建築工程於 2010 年 2 月開工，現有教堂主樓於 2010 年 5 月開始裝修，預算 2011 年 3 月全部工程完工。有關擴建工程財務方面，在尋找建造教育樓上蓋工程建築商的工作上，經過兩輪的投標，共 14 間建築商獲邀請，10 間公司入標，收到的標價由 4,000 多萬元至 6,000 多萬元。我們與低標價的幾間公司談判，探討通過更改要求和規格以減低價格（約 180 萬元），並數次要求減價才作最後決定，最後於 2010 年 2 月以略低於 4,300 萬元判出合約。

擴建預算/收入報告：

2010 年 3 月預算：

(1) 擴建工程項目總計 HK\$ 57,111,000 ~ US\$7.4 million

(2) 現有教堂主樓改善工程項目總計 HK\$ 5,836,480 ~ US\$0.75 million

2010 年 3 月累積收入：

擴建收入累積總數： HK\$ 22,869,684 ~ US\$2.94 million

現時所籌募的款項只足夠支持到 2010 年 9 月底，故急需靈糧家的眾靈糧兒女在禱告和奉獻上的參與和支持。

Praise the Lord ... reported by Elder Freddie Wong on April 13, 2010 ... "Last Easter Sunday, we were able to dedicate to our Lord the start of the church building renovation. We plan to elevate the first floor flooring by 20 inches (50 cm). This is to minimize flood coming into our building during the rainy season flooding. We also plan to relocate the stairs inside the building to outside the building to make use of the present stair location. We thank God for those who helped us to cope during the great flooding here caused by typhoon "Ondoy". Truly God answers prayers many of our brethren shared financially towards this project".
