Next General Assembly ... A total of sixty seven delegates or representatives from seventeen different members churches of the LLWWEMA have determined to come to Torrance Bread of Life Church to join our upcoming 13th General Assembly from September 10 to 14 this year. They are coming from all parts of the world, including Hong Kong, Indonesia, India, Philippines, Canada etc. With the local participations of Orange County Bread of Life Church and Torrance Bread of Life Church, we are expecting a huge crowd in attending our meetings. We also open our three evening revival meetings to welcome churches of different denominations in the greater Los Angeles so that they will also be benefited from the messages to be delivered by Rev. Dr. Thomas Wang on the topic of "End Times and Church Mission". However, many Indonesian delegates are still waiting for interviews with the Embassy for their visa applications. Please pray for God's help on this. Please also pray for the logistics and preparations for the many areas of the meetings as well as for Rev. Wang so that we will all be blessed and touched by our Father God.

English Camp at Mianzhu, Sichuan (7/5 – 7/16), by Sam Lee

Shortly after the 2008 Sichuan earth quake, our church sent a relief team there. Through that effort we came to know a couple of local churches. Last year, one church invited us to conduct an English Camp in 2010. Since LLWWEMA has a scholarship program to assist some of the students through the two local churches, we felt that the English Camp would be an opportunity to connect with our scholarship students as well as a chance to help a local church to outreach to the community. So we began to contact other NAD Ling Liang churches about the English Camp. PTL, some young people from Grace LLC and Toronto LLC responded. So this summer, during the first two weeks of July, we, from Torrance BOL, GLLC and TLLC, were able to serve side-by-side at the English Camp. The Camp was challenging. Instead of

conducting the Camp at a school as we were told, we met at the church which is in midst of building restoration. Instead of expected 60-80 students, we had more than a hundred in the second week of the Camp. Yet the Camp ran well and the attached collage shows what took place. Moreover during one of our Bible story session, more than half of the students indicated a commitment of faith. What had happened at the Camp reminded us God's providence. We planned and prepared for the Camp, but much of that preparation went out the window and what took place was done by the grace of God. And we, people from 3 Ling Liang churches along with other team members, are in awe and are grateful to have been granted a time serving together for the praise of His Name.

Panama Mission Trip (7/23 – 8/1), by Dr. William Liu

104 brothers and sisters from North and Central America went to villages in Margarito, Ipeti, Arrima, LaJas Blanca, and Perto Lara. At Emberra Puru Church team members had to minister to the people with only lights from their flashlights. At Cucunatti, a fishing village in the midst of a jungle, the team conducted a revival meeting. The church there has grown and thrived in the last 3 years. At La Palma, the city founded by African slaves, the team conducted a revival meeting followed by medical and dental ministries with flash lights. At Alto Cristo the team had a wonderful fellowship meeting with the church there. Many children accepted altar calls during revival meetings. A baptism service was held in the river for 9 youth of San Blas.

Thank God for our daughter church (GSRI Bekasi) that it has become not only fully independent but also built a new sanctuary. We still have 11 other daughter churches scattered in Sumatera, Java, Bali, Borneo, and Celebes. In the middle of July we had our 2nd nation-wide combined Youth Convention attended by all our daughter churches. At least 120 Ling Liang young people attended. We expect that the future of Ling Liang Churches in Indonesia will be better in spiritual quality.

Reported by Elder Freddie Wong, Jr. ... Attached are three pictures of the 3 newly completed classrooms and Library. Flooring was elevated about half a meter (20 inches) to minimize the risk of being flooded. Classrooms were completed just in time for school opening last June 15, 2010. Phil. Ling Liang Christian Academy has 75 students. Pictures of relocated stairs and extension of sanctuary are also attached. Construction is presently going on. Thank God for His provisions.
